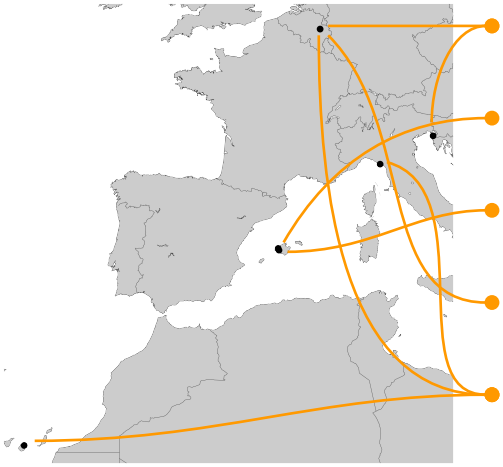
Professional experience



2017/01–present . . . . . **Post-doctoral researcher @ GHER (ULiège)**
Deployment of a data interpolation tool in a Virtual Research Environment

2014/03–2017/01 . . . . . **Head of the Data Centre Facility @ SOCIB**
Acquisition, processing and visualisation of oceanographic and meteorological data

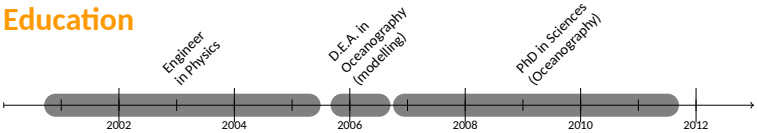
2013/03–2014/03 . . . . . **Post-doctoral researcher @ IMEDEA**
Analysis of in situ, satellite altimetry and high-frequency radar data

2010/10–2013/02 . . . . . **Research assistant @ ULiège**
Multivariate reconstruction of incomplete satellite images in the North Sea

2006/10–2010/09 . . . . . **PhD Candidate @ FRIA-FNRS**
Study of the Cape Ghir filament using numerical modeling and data interpolation

Publication list: https://ctroupin.github.io/CV/publicationList.pdf

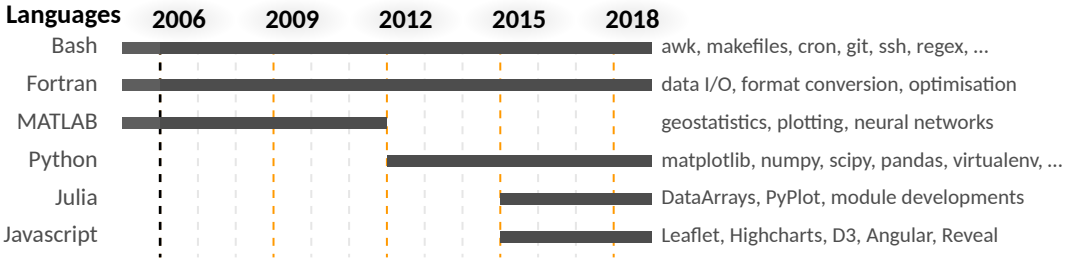
Education



Engineering
Fluid mechanics
Aerodynamics
Finite-element method
Numerical simulations
High-performance computing

Technical skills

Programming
Functional programming
Object oriented programming
Test-oriented development
Control version system (git, svn)
Jupyter-notebooks
Unit tests



Web HTML, CSS, markdown, javascript, Bootstrap, Jekyll, wordpress, Dokuwiki, Mediawiki

Data analytics

Spatial interpolation · Geostatistics · Big data · Predictive modelling · Cloud computing · Data visualisation · Neural networks · Signal processing · Open data · Quality control

Soft skills

Project management: Planning and monitoring · scientific and technical reporting · specification documents and strategic plans · team leading, recruitment · applications for grants and supports · lean and agile management

Communication: Presentations at international conferences (English, Spanish, French) · design of posters and leaflets (Darktable, GIMP, ImageMagick, Inkscape) · social networks · scienfic outreach

Organisation: International scientific meetings (200 participants from 40 countries) · User training workshops

Languages . . . . . English ★★★☆ Catalan ★★☆☆ Italian ★☆☆☆
French (native) ★★★★ Spanish ★★★☆ German ★☆☆☆ Dutch ★½☆☆

Personal interests

Photography · Ultra-trail and mountain running · OpenStreetMap editing · Travel blogging
Road cycling · Weather observation & forecast · UrbEx · Coaching
